# e-PlanREVIEW®

The New Evolution of Plan Review Software

e-PlanREVIEW® is a cloud-based electronic document review software that assists governmental agencies, the construction industry, manufacturing, and owners with their compliance review, design review, construction, and asset review process in real time.

One Solution For All REVIEW Purposes

e-PlanREVIEW® is a web-based electronic plan review solution that allows for a well-coordinated, collaborative review process where multiple reviewers can mark up plans simultaneously, making the review process faster and more accurate.

How e-PlanREVIEW® Improves the Plan Review Process

- Seamless integration into agency permitting systems
- Reducing Agency review times
- Clear visual plan/document management and tracking
- Assemble professional, easy-to-read, aggregated corrections reports quickly
- Conduct simultaneous reviews across different disciplines and/or departments

- Plan Review Activity tracked in event logs
- Comment Library available to easily add comments or code references
- Team collaboration made easy
- Permit information is tracked and recorded
